

# 'Til a Tear Becomes a Rose

**Lorrie Morgan & Keith Whitley**

Darlin' I can see the clouds around you  
And in your heart I know a sorrow grows  
But if you weep I'll be right here to hold you  
Til each tear you cry becomes a rose Dearest love I know your heart shattered  
And all my words can offer no relief  
But my love will heal the pain you've suffered  
And I'll be here if you should turn to me Darlin' I can see the clouds around you  
And in your heart I know a sorrow grows  
But if you weep I'll be right here to hold you  
Til each tear you cry becomes a rose And deepest nights when memories tend together  
Lay with me and put your fears to sleep  
Cause there's no pain no dream can put us under  
All the wall that binds you and me  
Darlin' I can see the clouds around you  
And in your heart I know a sorrow grows  
But if you weep I'll be right here to hold you  
Til each tear you cry becomes a rose  
Til each tear you cry becomes a rose
