Slide Away

Miley Cyrus

[Intro]
Woo-ooh, woo-ooh, woo-ooh
Woo-ooh, woo-ooh, woo-ooh[Verse]
Once upon a time, it was paradise
Once upon a time, I was paralyzed
Think I'm gonna miss these harbor lights
But it's time to let it go
Once upon a time, it was made for us
Woke up one day, it had turned to dust
Baby, we were found, but now we're lost
So it's time to let it go[Pre-Chorus]
I want my house in the hills
Don't want the whiskey and pills
I don't give up easily
But I don't think I'm down
[Chorus]
So won't you slide away?
Back to the ocean, I'll go back to the city lights
So won't you slide away?
Back to the ocean, la-la-la, you'll slide away
So won't you slide away?
Back to the ocean, I'll go back to the city lights
So won't you slide away?
Back to the ocean, la-la-la, you'll slide away[Verse]
Once upon a time, it was paradise
Once upon a time, I was paralyzed
Think I'm gonna miss these harbor lights
But it's time to let it go
Once upon a time, it was made for us (For us)
Woke up one day, it had turned to dust
Baby, we were found, but now we're lost
So it's time to let it go
[Pre-Chorus]
Move on, we're not 17
I'm not who I used to be
You say that everything changed
You're right, we're grown now[Chorus]
So won't you slide away?
Back to the ocean, I'll go back to the city lights
So won't you slide away?
Back to the ocean, la-la-la, you'll slide away
So won't you slide away?

Back to the ocean, I'll go back to the city lights
So won't you slide away?
Back to the ocean, la-la-la, you'll slide away[Outro]
Move on, we're not 17
I'm not who I used to be
You say that everything changed
You're right, we're grown now
