## If Today Was Your Last Day

## **Nickelback**

My best friend gave me the best advice He said each day's a gift and not a given right Leave no stone unturned, leave your fears behind

And try to take the path less traveled by

That first step you take is the longest strideIf today was your last day and tomorrow was too late Could you say goodbye to yesterday?

Would you live each moment like your last

Leave old pictures in the past?

Donate every dime you had, if today was your last day?

What if, what if, if today was your last day? Against the grain should be a way of life

What's worth the price is always worth the fight

Every second counts 'cause there's no second try

So live like you're never living twice

Don't take the free ride in your own life

If today was your last day and tomorrow was too late

Could you say goodbye to yesterday?

Would you live each moment like your last?

Leave old pictures in the past?

Donate every dime you had? And would you call oldfriends you never see?

Reminisce old memories?

Would you forgive your enemies?

And would you find that one you're dreaming of?

Swear up and down to God above

That you'd finally fall in love if today was your last day? If today was your last day

Would you make your mark by mending a broken heart?

You know it's never too late to shoot for the stars

Regardless of who you are

So do whatever it takes

'Cause you can't rewind a moment in this life

Let nothing stand in your way

'Cause the hands of time are never on your sideIf today was your last day and tomorrow was too late

Could you say goodbye to yesterday?

Would you live each moment like your last?

Leave old pictures in the past?

Donate every dime you had?

And would you call old friends you never see?

Reminisce old memories?

Would you forgive your enemies?

And would you find that one you're dreaming of

Swear up and down to God above

That you'd finally fall in love if today was your last day?
