

Poison (Extended Club Version)

Bell Biv DeVoe

Poison
Poison, uh Girl I must warn you
I sense something strange in my mind
Situation is serious
Let's cure it 'cause we're running out of time
It's all so beautiful
Relationships they seem from the start
It's all so deadly
When love is not together from the heart, yeah But it's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss her, kiss her, love her
That girl is poison, ooh
Never trust a big butt and smile
She's poison If I were you I'd take precautions
Before I start to leave fly girl
'Cause in some portions
She's the best thing in the world, ooh
She's so fly, she'll drive you right out of your mind
Beware she's schemin', she'll make you think you're dreamin'
You'll fall in love and you'll be screamin' dreamin' (U-uh u-uuh) It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss her, kiss her, love her That girl is poison, uuuh
Never trust a big butt and smile
She's poison
They told me
Never give in to temptation
No correlation with love and affection
Is it fact or is it fiction?
Is she into me or is she into Rixton?
They say that she'll never change
I can feel her running through my veins
My veins, my veins
My veins, my veins
She's running through my veins, yeah
She won't change, won't change That girl is poison, oh
Never trust a big butt and smile
She's poison She's poison, poison, oh!
That girl is poison
