

Cigarette Daydreams

Cage the Elephant

Did you stand there all alone?
Oh I cannot explain what's going down
I can see you standing next to me
In and out somewhere else right now
You sigh look away
I can see it clear as day
Close your eyes so afraid
Hide behind that baby face Do do do do do You can drive all night
Looking for answers in the pouring rain
You wanna find peace of mind
Looking for the answer
Funny how it seems like yesterday
As I recall you were looking out of place
Gathered up your things and slipped away
No time at all I followed you into the hall
Cigarette daydream
You were only seventeen
So sweet with a mean streak
Nearly brought me to my knees Do do do do do You can drive all night
Looking for the answers in the pouring rain
You wanna find peace of mind
Looking for the answer If we could find a reason, a reason to change
Looking for the answer
If you could find a reason, a reason to say
Standing in the pouring rain
Do do do do do... You can drive all night
Looking for answers in the pouring rain
You wanna find peace of mind
Looking for the answer
If we could find a reason, a reason to change
Looking for the answer
If you could find a reason, a reason to say
Standing in the pouring rain
