Them Changes

Thundercat

Nobody move, there's blood on the floor And I can't find my heart! Where did it go? Did I leave it in the cold? So please give it back, 'cause it's not yours to take! It must have fell when I lost my mind Deep in the cut, drowning in a pain Somebody help 'cause I can't find my way Nobody move, nobody move! Somebody tell me how I'm supposed to feel When I'm sitting here knowing this ain't real Why in the world would I give my heart to you? Just to watch you throw it in the trash I've been traveling so long, I don't think I can hold on Where were you when I needed you the most? Now I'm sitting here with a black hole in my chest A heartless, broken mess
