

# Happy Birthday

Tyga

Hoo, think I'm worried 'bout a rumor?  
Wow I got a big crib, how many rooms here?  
Aye, I forgot I ain't seen the other side since I bought that motherfucker wait  
It's a shame, a lame is all you ever be  
Man, a lame is all you ever be  
Pain, came off a peanut butter jelly  
Now you tellin' me, all I get is jealousy  
Aye happy birthday you look surprise  
Imma gift bitch right before your eyes  
I do this all time bitch, why you look surprise?  
You look thirsty my wrist look like Sprite  
Happy birthday, today my day  
I make a wish, I blow the cake  
Hoo, you think I'm scare of a diss?  
Aye, I think you scare to get rich  
Thursday to thursday I'm on my shift  
I'm on my job like these hoes on my dick  
Wow! You start the day off by talkin' bout me  
Everyday my birthday, you still ain't got me none?  
Yeah I do this all the time  
Aye happy birthday bitch you look surprise  
I told her happy birthday bitch you look surprise  
I do this all the time yeah I do this all the time  
And you gettin' crossed out if you ever cross the line  
These bitches gon' strip and drop it down  
And ask them bitches who poppin' now Yeah ask them bitches who gon' stop me now uhHoo,  
think I'm worried 'bout a rumor?  
Wow you still stand with a roomie  
Aye, yeah I forgot  
You too busy talkin' bout it instead of gettin to it, wait  
It's a shame, a lame is all you ever be  
Man, a lame is all you ever be  
Game, got the whole set reppin' me  
My name T-Rawww yeah I'm raw like I said I be  
Aye happy birthday you look surprise  
I got my bread in the oven, watch it rise  
I do this all time why you look surprise?  
I never hit the books, but your boy bookin' flights aye  
Happy birthday, today my day  
I make a wish, I blow the cake  
Hoo, think I'm worried bout a scandal?  
Aye, you put me on every chanel Gave you a sample, it's part two

Part Hennessy, part fuel  
All I want for my birthday is more fire  
More Twelve Juice, more designer  
Young Halle Berry's in my theater room reclinin  
Fuck they talkin' bout, you know you can't  
deny it  
I'm on a wave, I just left the islands  
It's a gangsta party all the hoes invited  
Yeah I do this all the time  
Aye happy birthday bitch you look surprise  
I told her happy birthday bitch you look surprise  
I do this all the time yeah I do this all the time  
And you gettin' crossed out if you ever cross the  
line  
These bitches gon' strip and drop it down  
And ask them bitches who poppin' now  
Yeah ask them bitches who gon' stop me now uh  
Happy birthday, today my day  
I make a wish, I blow the cake  
Happy birthday, today my day  
I make a wish, I blow the cake  
Happy birthday, today my day  
I make a wish, I blow the cake  
Happy birthday, today my day  
I make a wish, I blow the cake
