## 7-Rooms of Gloom

## **Four Tops**

(Seven rooms) I see a house

A house of stone

(Filled with gloom) A lonely house

'Cause now you've gone

(Just seven rooms of gloom) Seven rooms, that's all it is

Seven rooms of gloom

(Filled with emptiness) I live with emptiness

Without your tendernessYou took the dream I had for us

Turned my dreams into dust

I watch a phone that never rings

I watch a door that never rings

Bring you back into my life

Turn this darkness into light

I'm all alone in this house

Turn this house to a home

I need your touch to comfort me

Your tender, tender arms that once held me(Seven rooms) Without your love

Your love inside

(Filled with gloom) This house is just a place

To run and hide

(Just seven rooms of gloom) Seven rooms, that's all it is

Seven rooms of gloom

(Filled with emptiness) Rooms of emptiness

Without your tendernessDon't make me live from day to day

Watching a clock that ticks away

Another day, another way

Another reason for me to stay

I need you here, here with me

I need you, darling, desperately

I'm all alone, all alone

In this house that's not a home

I miss your love I once had known

I miss your kiss that was my very, very own(Seven rooms) Empty silence

Surrounding me

(Filled with gloom) Lonely walls

They stare at me

(Just seven rooms of gloom) Seven rooms, that's all it is

Rooms of gloom

(Filled with emptiness) I live with emptiness

Without your tendernessAll the windows are painted black

And wait right here till you come back

I'll keep waiting, waiting
