More Than Alive

The Ready Set

I don't wanna
Slow, slow, slow, slow it down, down
(Slow it down, slow it down)
(Slow it down, slow it down)You go for seconds and days
I live for moments to say
That I may never get a second chance
Don't throw it awayLivin' for dollars and dimes
They'll all diminish in time
Oh, let that motion come and crash in
Like a plane from the sky
It was a long ride down the East Coast
In a city you can't keep, could you keep up on your feet?
And I was struck down by the West Coast
It was a quarter to three but it don't do sleepDon't follow the freeway, break the routine
'Cause everything is second to your dreams
If this is the green light, take what you need
And break out of this hospital sceneI'm runnin' through a stop sign
Countin' up the quick lights
I don't wanna
Slow, slow, slow, slow it down, downI'm runnin' through a stop sign
Livin' so it feels right
I don't wanna
Slow, slow, slow, slow it down, down
Don't wanna slow it down
Slow it down, slow it down
Slow it down, slow it downBut I give impatience a try
Got a little enveloped in time
'Cause I watch you come and watch you go
And it don't seem rightLivin' for speed limit signs
Ignorin', cross every line
Gotta let emotion take you
Over 20 miles at a timeDon't follow the freeway, break the routine
'Cause everything is second to your dreams
If this is the green light, take what you need
And break out of this hospital sceneI'm runnin' through a stop sign
Countin' up the quick lights
I don't wanna
Slow, slow, slow, slow it down, downI'm runnin' through a stop sign
Livin' so it feels right
I don't wanna
Slow, slow, slow, slow it down, down
Don't wanna slow it downI'm runnin' through a stop sign

Got the world on my side
You know break lights
And feeling more than alive
But it's so bright
City, shine on, shine on tonight, tonightI'm runnin' through a stop sign
Got the world on my side
You know the break lights
And feelin' more than alive
But it's so bright
City, shine on, shine on tonight, tonight, tonightDon't follow the freeway, break the routine
'Cause everything is second to your dreams
If this is the green light, take what you need
And break out of this hospital sceneI'm runnin' through a stop sign
Countin' up the quick lights
I don't wanna
Slow, slow, slow, slow it down, downI'm runnin' through a stop sign
Livin' so it feels right
I don't wanna
Slow, slow, slow, slow it down, down
(Don't wanna slow it down)I'm runnin' through a stop sign
Countin' up the quick lights
I don't wanna
Slow, slow, slow, slow it down, downI'm runnin' through a stop sign
Countin' up the quick lights
I don't wanna
Slow, slow, slow, slow it down, downDon't wanna slow it down
(Slow it down, slow it down)
