Bonkers

Dizzee Rascal

I wake up everyday its a daydream
Everything in my life aint what it seems
I wake up just to go back to sleep
I act real shallow but Im in too deep
And all I care about is sex and violence
A heavy bass line is my kind of silence
Everybody says I got to get a grip
But I let sanity give me the slipSome people think Im bonkers
But I just think Im free
Man Im just living my life
There's nothing crazy about me
Some people pay for thrills
But I get mine for free
Man Im just living my life
There's nothing crazy about me
Bonkers
I wake up everyday its a daydream
Everything in my life aint what it seems
I wake up just to go back to sleep
I act real shallow but Im in too deep
And all I care about is sex and violence
A heavy bass line is my kind of silenceEverybody says I got to get a grip
But I let sanity give me the slip
Some people think Im bonkers
But I just think Im free
Man Im just living my life
There's nothing crazy about me
Some people pay for thrills
But I get mine for freeMan Im just living my life
There's nothing crazy about me
Mmmmmmmm
I wake up everyday its a daydream
Everything in my life isnt what it seems
I wake up just to go back to sleep
I act real shallow but Im in too deep
And all I care about is sex and violenceA heavy bass line is my kind of silenceEverybody says I got to get a grip
But I let sanity give me the slip
Bon, bon, bon, bon, bon, bon, bon, bon
Some people think Im bonkers
But I just think Im free
Man Im just living my life

There's nothing crazy about me
Some people pay for thrills
But I get mine for free
Man Im just living my life
There's nothing crazy about me
Bonkers
I wake up everyday its a daydream
Everything in my life aint what it seems
I wake up just to go back to sleep
I act real shallow but Im in too deep
And all I care about is sex and violence
A heavy bass line is my kind of silence
Everybody says I got to get a grip
But I let sanity give me the slip
Bonkers
Some people think Im bonkers
But I just think Im free
Man Im just living my life
There's nothing crazy about me
Some people pay for thrills
But I get mine for free
Man Im just living my life
There's nothing crazy about me
