

Now That We Found Love

Third World

Now that we found love what are we gonna do, with it?
Now that we found love what are we gonna do, with it?
Now that we found love what are we gonna do, with it?
(Spread it all over)
Now that we found love what are we gonna do, with it? Make natty shook
Make natty shook
Make natty shook
Make natty shook, shook, shook
All over the place Make natty shook
Make natty shook
Make natty shook
Make natty shook, shook, shook
All over the place
I say
Come on, baby, when the music plays
Gonna see you dance
Get up and dance Said move, ye-yeah
Groove, ye-yeah
Come on little lady
Let me show you what a man can do Said my music
Sweet music (hey)
Soothin' to my bone
Never, never, never leave me alone Now that we found love what are we gonna do, with it?
Sing it again, yeah
Now that we found love what are we gonna do, with it?
Let's give love a try
Let Jah, control your destiny
Owe it to ourselves, yes, we do
To live in love and sweet harmony Sweet love is what we've been searchin' for
Sweet love
That's all we've been asking for
(Hey) And now that I've got it
Right here in my hands, yeah
We're gonna share it
All over the land Now that we found love, what are we gonna do, yes?
Now that we found love what are we gonna do, with it?
Now that we found love what are we gonna do, with it?
Now that we found love what are we gonna do (yes) with it?
(Check this out) You've got to forgive
You've got to forget
Let hate be your enemy
Bow to the Lord Sweet, sweet love is gonna set your spirit free Sweet love

That's all we've been lookin' for
Sweet love
That's all we've been asking for, yes And now that I've got it
Right here in my hands
We gonna share it
All over the land Now-now-na-na-now-now
Now-now-na-na-now-now
Now-now-na-na-now-now
Yeah-ah-ah Now that we found love what are we gonna do, with it?
(Tell me)
Now that we found love what are we gonna do, with it?
(Sing it again, yeah)
Now that we found love what are we gonna do, (yes) with it?
(Hey baby)
Now that we found love what are we gonna do, with it?
(Hey, hey)
Now that we found (sweet) love what are we gonna do (Gonna spread it all over the world),
with it? (Yeah-ah)
Now that we found (so much) love what are we gonna do (Gonna spread it all over the world)
with it?
(Na, na, na, na, na, na, na)
Now that we found love what are we gonna do, with it?
(Spread it all over)
Now that we found love what are we gonna do (yes) with it?
(Na, na, na, na, na, na...)
Now that we found love what are we gonna do, with it?
Now that we found love what are we gonna do, with it?
(Spread it all over the world)
Now that we found love what are we gonna do with it?
(What are we, what are we gonna do)
