Burning

Sam Smith

I've been burning, yes, I've been burning Such a burden, this flame on my chest No insurance to pay for the damage

Yeah, I've been burning up since you leftI've been smoking, oh

More than twenty a day

Blame it on rebellion

Don't blame it on me

Wish I was younger

Back to the nineteenth of May

I had an open mind

Swore to never change

Funny how time goes by

Had respect for myself

That river ran dry

You reached the limit

I wasn't enough

It's like the fire replaced all the loveI've been burning, yes, I've been burning

Such a burden, this flame on my chest

No insurance to pay for the damage

Yeah, I've been burning up since you leftOh, have you ever called

I will burst straight back

Give you my forgiveness

And the shirt off my back

No friends to turn to

Yeah, I messed up that

Wish we could smoke again

Just for a day, oh

Funny how time goes by

Had respect for myself

That river ran dry

You reached the limit

I wasn't enough

And it's like the fire replaced all the loveI've been burning, yes, I've been burning

Such a burden, this flame on my chest

No insurance to pay for the damage

Yeah, I've been burning up since you leftYeah, I've been burning up since you left

Oh, I've been burning up since you left
