

No Manners

[Teyana Taylor](#)

We up in the Copacabana
I'm good, bitch, you know I been better
My hubby-my hubby so handsome
I hold him ransom, I hold him ransom
And then some
I got a man, but ain't got no manners
I got a man, but ain't got no manners
I got a man, but ain't got no manners
Where are you hiding? I need....
We up in the Copacabana
I'm good, bitch, you know I been better
My hubby-my hubby so handsome
I hold him ransom, I hold him ransom
And then some
I got a man, but ain't got no manners
I got a man, but ain't got no manners
I got a man, but ain't got no manners
Where are you hiding? I need....
