

# For Free (feat. Drake)

## DJ Khaled

Would you fuck me for free?  
Another one  
We the Best Music! Major Key! DJ Khaled! I go on and on  
Can't understand how I lasted so long  
I must have the superpowers  
Last 223 thousand hours  
It's cause I'm off of CC  
And I'm off the Hennessy  
And like your boy from Compton said  
You know this dick ain't free!  
I got girls that I shoulda made pay for it  
Got girls that I should made wait for it  
Got girls that'll cancel a flight back home  
Stay another day for it  
You got attitude on na na  
And your pussy on agua  
And your stomach on flat flat  
And your ass on what's that?  
And, yeah, I need it all right now  
Last year I had drama, girl not right now  
I was never gon' chat what we talkin' about  
You the only one I know could fit it all in her... man  
I always wonder if you ask yourself  
Is it just me?  
Is it just me?  
Or is this sex so good I shouldn't have to fuck for free?  
Is it just me?  
Is it just me?  
Or is this sex so good I shouldn't have to... Fuck for free  
I know you workin' day and night to get a college degree  
Bet nobody that you've been with even know you a freak, right?  
You know you only do that with me, right?  
Yeah, double checkin' on you  
You know I never put the pressure on you  
You know that you make your own mind up  
You knew what it was when you signed up  
Now you gotta run it up  
I be out of words, tryna sum it up  
Girl you throw it back like one love  
Even let me slash on the tour bus  
Yeah I talk to her but she don't do enough  
Even though you in the hood I'm still pullin' up

Dip, dip, straight to your doorstep  
This the real thing, can you feel the force yet  
I always wonder if you ask yourself  
Is it just me?  
Is it just me?  
Or is this sex so good I shouldn't have to fuck for free?  
Is it just me?  
Yeah, is it just me?  
Is this sex so good I shouldn't have to...  
Would you fuck me for free? Another one  
They don't want me to have another anthem  
So I made sure I got another anthem  
It's We The Best OVO  
Summers ours  
It always has been  
Don't ever play yourself  
One time for Future the Prince  
One time for 40  
One time for Drake  
Another one  
Bless up
