

Just For Us, Pt. 2

[benny blanco](#)

Oooo
Hmhmm
Oooo ooooo
Oooooo one morning, yeah Give it a body
Want to talk to it
And you will remove the space
Just to be a body
Want to talk to me
Want to walk over to the open space They don't know who that du-, du-
They don't know
They don't know who that du-
They don't know
It was just for fun
It was just for us
