

# Nightingale

Demi Lovato

I can't sleep tonight, wide awake and so confused  
Everything's in line but I'm bruised  
I need a voice to echo, I need a light to take me home  
I kinda need a hero, is it you?  
I never see the forest for the trees  
I could really use your melody  
Baby, I'm a little blind I think it's time for you to find me  
Can you be my Nightingale? Sing to me, I know you're there  
You could be my sanity  
Bring me peace, sing me to sleep  
Say you'll be my Nightingale  
Somebody speak to me, 'cause I'm feeling like hell  
Need you to answer me, I'm overwhelmed  
I need a voice to echo, I need a light to take me home  
I need to star to follow, I don't know  
I never see the forest for the trees I could really use your melody  
Baby, I'm a little blind I think it's time for you to find me  
Can you be my Nightingale?  
Sing to me, I know you're there  
You could be my sanity  
Bring me peace, sing me to sleep Say you'll be my Nightingale  
I don't know what I'd do without you  
Your words are like a whisper coming through  
As long as you're with me here tonight, I'm good  
Can you be my Nightingale?  
Feel so close, I know you're there  
Ohhhh Nightingale  
Sing to me, I know you're there  
'Cause baby, you're my sanity  
You bring me peace, sing me to sleep  
Say you'll be my Nightingale, oh
