

Simple & Plain

112

I don't want you to think this could be
anything other than me confessing
How much i L.O.V.E you
pretty guide my whole life with my hands
to the sky because I realise you're my blessing
And i do, i do, need to tell you
every chance I get
Ever since the day I met you
I live life without regret
Made it right when I went left
Sweetest girl I ever met
baby I can't live without you
You know that it's true
So i say baby, baby, baby
my sweet baby, my sweet baby
I could say a bunch of things but
they all mean the same things
I'mma keep it simple and plain
Girl I love you, I love you
Taaadadada Tadadadada
I know that you'll never know
i may not say the greatest phrases
to show you how I feel
My fortune ain't wordplay no
Diamond rings don't say a thing but look into my eyes
and they will tell you I'm for real
But i still, tell you
every chance I get
Ever since the day I met you
I live life without regret, you
Made it right when I went left
Sweetest girl I ever met
baby I can't live without you
You know that it's true, you know that it's true
So i say baby, baby, baby
my sweet baby, my sweet baby
I could say a bunch of things but
they all mean the same things
I'mma keep it simple and plain
Girl I love you, I love you
So i say baby, baby, baby
my sweet baby, my sweet baby

I could call you my queen, say you mean the world to me
but I'mma keep it simple and plain
Girl I love you, I love you
I could call you my cherie amor
I could say the one that I adore
Honestly if love is something like a battlefield and
you're the one I'm fighting for
My bestfriend, my good thang, first lady of a clan
My [?]
When I try to explain it you're my heaven on earth, baby
baby, baby, baby
my sweet baby, my sweet baby
I could say a bunch of things but
they all mean the same things
I'mma keep it simple and plain
Girl I love you, I love you
say baby, baby, baby
my sweet baby, my sweet baby
I could call you my queen, say you mean the world to me
but I'mma keep it simple and plain
Girl I love you, I love you
I love you
