

# Nothing to Lose (feat. Jussie Smollett)

## Empire Cast

imma live my life but it isn't fair  
would have never thought I'd be down in this gutter  
if i can make it here I can make it anywhere  
when the going gets rough I gotta get tougher Sometimes you only get one shot  
I gotta give it all I got  
cause i aint got nothing to lose  
So much to prove  
i came too far to hear no  
(Gotta go hard or go home)  
cause i aint got nothing to lose  
(I gotta do what i gotta do)  
Ladaladalada  
Mhmm, ayeHow da hell did my back get against the wall  
never thought that I'll would be here at Rock bottom  
At least i dont have to worry about the fall  
why did I end up with ninety nine problems  
Sometimes you only get one shot  
I Gotta give it all i got  
cuz i aint got nothing to lose  
So much to prove  
i came too far to hear no  
gotta go hard or go home  
i aint go nothing to lose  
I gotta do what i gotta doLadaladalada
