## A Bit Old-Fashioned

## **Babyface**

I believe that a woman
Is the most precious thing on earth
And I'll do anything

And I ii do anytning

And I do mean anything

To stop my baby

From ever being hurtWell it might seem kinda crazy to ya Somewhat outta styleI'm just a bit old-fashioned

And I can't help

Livin' that way

I'm just a bit old-fashioned

And I can't help

Livin' that way

I'll go and work

My fingers to the bone

And I'll work overtime

So she can have a home

And I'll do anything

And I do mean anything

Don't want my baby

To hurt for a thingWell that might sound kinda crazy to ya

Somewhat outta styleHook

Oh baby

That's the only way that I'll ever be

Forever dedicated to thee

One girl is all I ever will need

Loving you forever indeed

My whole damn life is you

And I would die for you

I might sound crazy

But the only thing important is you

I love youHook
