

# Let Down

## Palisades

I've been so good to you  
Whatever you need  
Not there for me  
Expecting you to be  
A remedy  
Doin what you please  
Still makin me sick  
At the thought of you and me  
I stay with you  
Then leave you for a week  
Don't answer calls  
Or you're hung up on me  
I'm by the phone  
And I wish I could breathe  
I'm so good for you  
But you're so bad for me And it's hard to believe  
That it's me that you're missing  
Now you're trying to speak  
And I don't wanna listen Cause you're a let down  
Let down Cause you're a let down  
Let down Gimme one reason to make it right  
Yeah  
Anything at all for another try oh oh  
Cause you're a let down  
A let down  
Almost feel bad for you  
You got my sympathy  
I'm sober now  
And I can finally see  
With clarity  
Yeah I can agree  
You can take the heat  
I'm sorry that I'm weak I hate myself  
For putting up with all your pointless fights  
You were out to cheat  
I blocked the phone  
I bet we can agree I've been good for you  
But you're so bad for me Cause you're a let down  
Let down Cause you're a let down  
Let down Gimme one reason to make it right  
Yeah  
Anything at all for another try oh oh

Cause you're a let down  
A let downCause you're a let down  
Let downAnd it's hard to believe  
That it's me that you're missing  
Now you're trying to speak  
And I don't wanna listenCause you're a let down  
Let downCause you're a let down  
Let downGimme one reason to make it right  
Yeah  
Anything at all for another try oh oh  
Cause you're a let down  
A let down
