

# One Less Lonely Girl

Justin Bieber

Alright, let's go  
There's gonna be one less lonely girl  
(One less lonely girl)  
One less lonely girl  
(One less lonely girl)  
There's gonna be one less lonely girl  
(One less lonely girl)  
One less lonely girl  
How many I told you and start over and shoulders  
Have you cried on before?  
How many promises, be honest girl  
How many tears you let hit the floor?  
How many bags you packed, just to take him back  
Tell me that how many either or  
But no more if you let me inside of your inside your world  
There'll be one less lonely girl  
Saw so many pretty faces before I saw you, you  
Now all I see is you  
I'm coming for you  
(I'm coming for you)  
Don't need these other pretty faces like I need you  
And when you're mine in the world  
There's gonna be one less lonely girl  
I'm coming for you, one less lonely girl  
I'm coming for you, one less lonely girl  
There's gonna be one less lonely girl  
I'm coming for you, I'm gonna put you first  
I'm coming for you, I'll show you what you're worth  
That's what I'm gonna do, if you let me inside of your world  
There's gonna be one less lonely girl  
Christmas wasn't merry, 14th of February  
Not one of 'em spent with you  
How many dinner dates, set dinner plates  
And he didn't even touch his food?  
How many torn photographs I saw you taping back  
Tell me that you couldn't see an open door  
But no more, if you let me inside your world  
There'll be one less lonely girl  
Saw so many pretty faces before I saw you, you  
Now all I see is you  
I'm coming for you, I'm coming for you  
Don't need these other pretty faces like I need you  
And when you're mine in this world  
There's gonna be one less lonely girl  
I'm coming for you, one less lonely girl  
I'm coming for you, one less lonely girl  
There's gonna be one less lonely girl  
I'm coming for you, I'm gonna put you first  
I'm coming for you, I'll show you what you're worth  
That's what I'm gonna do, if you let me inside your world  
There's gonna be one less lonely girl  
I can fix up your broken heart  
I can give you a brand new start

I can make you believe, yeah  
I just wanna set one girl free to fall, free to fall  
She's free to fall, fall in love with me  
Her heart's locked, and know what, I got the key  
I'll take her and leave the world with one less lonely  
There's gonna be one less lonely girl  
One less lonely girl  
One less lonely girl  
One less lonely girl  
There's gonna be one less lonely girl  
One less lonely girl  
One less lonely girl  
I'm coming for you, one less lonely girl  
I'm coming for you, one less lonely girl  
I'm coming for you, one less lonely girl  
There's gonna be one less lonely girl  
I'm coming for you, I'm gonna put you first  
I'm coming for you, I'll show you what you're worth  
That's what I'm gonna do, if you let me inside your world  
There's gonna be one less lonely girl  
I'm coming for you, one less lonely girl  
I'm coming for you, one less lonely girl  
There's gonna be one less lonely girl  
I'm coming for you, I'm gonna put you first  
I'm coming for you, I'll show you what you're worth  
That's what I'm gonna do, if you let me inside your world  
There's gonna be one less lonely girl  
Only you shawty
