

# Run Run Run (feat. John Legend)

Kelly Clarkson

I wonder how your body tastes  
Inside of someone else's place  
Pull away your eyes  
There's nothing left to heal  
I'm alone but I know everything you feel And you waited on the rain  
Through tears my heart has caged  
And we fall through fate  
And we rise and rise again  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I just run, run, run  
Tell me how you close the door  
Knowin' nobody could love you more  
Telling all your friends that  
This love is just made for bleeding  
Hung upon the water  
But still keep on, trying to breath in And you waited on the rain  
Through tears my heart is caged  
And we fall through faith  
And we rise and rise again  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I just run, run, run Our lust for fighting  
Tied up in silence  
And you waited on the rain  
Through tears my heart has caged  
And we fall through faith  
And we rise and rise again  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run  
I just run, run, run  
And I run, run, run, run, run  
And I run, run, run, run, run  
I run, run, run, run, run Our lust for fighting  
Tied up in silent
