

# Traitor

## Daughtry

I'm not a criminal  
I'm not the villain  
Yeah, this is personal  
A drive-by killing  
Your guns are loaded  
And your lies are the bullets  
So here is the trigger

Go ahead and pull it, now  
Are you sure you wanna play this game?  
Are you sure you wanna play it?  
The only thing worse than a hater

The only thing worse than a hater  
Is a traitor, a traitor, a traitor  
You put the knife right in my back,  
Killed any history we had  
And now it's war, war  
We were just like brothers  
And we had each other  
We were down for the good times  
We were there for the trouble  
Like a thief in the night  
Broad daylight  
You stole my sanity

Now you are the enemy  
Are you sure you wanna play this game?  
Are you sure you wanna play it?  
The only thing worse than a hater

The only thing worse than a hater  
Is a traitor, a traitor, a traitor  
You put the knife right in my back,  
Killed any history we had  
Now it's war, war  
(Oh, oh oh oh)  
I should feel sorry for you  
(Oh, oh oh oh)  
Watching you drown in your denial  
(Oh, oh oh oh)  
But I can't feel sorry for you  
(Oh, oh oh oh)

Watching you drown cause you're a traitor  
The only thing worse than a hater

The only thing worse than a hater  
Is a traitor, a traitor, a traitor  
You put the knife right in my back,  
Killed any history we had

Now it's war, war  
The only thing worse than a hater

The only thing worse than a hater

Is a traitor, a traitor, a traitor  
You put the knife right in my back,  
Killed any history we had  
Now it's war, war
