

Mr. Hughes

Demi Lovato

I remember you walked out the door
So I stayed awake for days
No pill or drink could get me off the floor
Nothing seemed to ease the pain Listen to me honey
I've got something new to say
I forgive but can't forget your mistakes
Now I think it's time for you to pay Oh! He's Mr. Hughes
And he's got the blues
'Cause his high school dreams
They never went too far
And he's Mr. Hughes
And he's got the blues
'Cause he missed his chance to be with a star
Oh oh, oh oh Oh oh, oh oh
Mr. Hughes, I ain't missin' you
This is for the times you broke my heart And all the years you led me on
Now you're asking for a brand new start But you're way too late and now I'm gone
Listen to me honey
I've got something new to say
I forgive but can't forget your mistakes Now I think it's time for you to pay Oh! He's Mr.
Hughes And he's got the blues
'Cause his high school dreams
They never went too far
And he's Mr. Hughes And he's got the blues
'Cause he missed his chance to be with a star
Oh oh, oh oh Oh oh, oh oh
Mr. Hughes, I ain't missin' you
Oh oh, oh Oh oh, oh oh
Mr. Hughes, I ain't missin' you
How could you think
I'm so stupid
I wouldn't see through?
I always do
Now I got a new man
And he's ten times the man
You could ever be, Mr. Hughes
Oh! He's Mr. Hughes And he's got the blues
'Cause his high school dreams
They never went too far
And he's Mr. Hughes
And he's got the blues
'Cause he missed his chance to be with a star

Oh oh, oh oh
Oh oh, oh oh Mr. Hughes, I ain't missin' you
Oh oh, oh oh
Oh oh, oh oh Mr. Hughes, I ain't missin' you
Oh oh, oh oh Oh oh, oh oh Mr. Hughes, I ain't missin' you
