

# Such a Simple Thing

Ray LaMontagne

Tell me what you're feeling  
I can take the pain  
Tell me that you mean it  
That you won't leave again Tell me what your heart wants  
Such a simple thing  
My heart is like paper  
Yours is like a flame I can't make you see  
If you don't by now  
I'll get through these chains  
Some how, some how  
Take it if you want it  
Im so tired i just don't care  
Can't you see how much you hurt me?  
It's like I wasn't there Tell me what your heart wants  
Such a simple thing  
My heart is like paper  
Yours is like a flame My heart is like paper  
Yours is like a flame  
I can't make you see  
If you don't by now  
I'll get through these chains Some how  
Some how  
Tell me what your heart wants  
Such a simple thing  
My heart is like paper  
Yours is like a flame  
My heart is like paper  
Yours is like a flame
