

I Will Run To You (Remastered)

Stevie Nicks & Tom Petty & The Heartbreakers

One so young... so changed
Should not be left alone
Two... in love... should confess
And not be left alone Down whatever road you choose
I will follow you down You've had time... come around
Will you please make up your mind
I... stand accused... on trial
Will you please make up your mind
Down whatever road you choose
I will follow you down
Make it easy for me
I been lonely baby
Show some mercy honey
I was nothing
All those lonely nights
Showed me something
If you need me
I'll come runnin' Down whatever road you choose
I will follow you down
