

# The Teacher

## Big Country

We talked and smoked all through the night  
You led me where I had no sight  
Till birdsong broke the morning light  
And I was weak with strange delight  
Teacher will you show to me  
The bond between the land and sea  
For I am new to mystery I want everything laid out for me  
All of history  
All of history  
You showed me walls around the world  
Where seekers passed and flags unfurled  
You wove a tale in silken curls  
And blew the mist in silver swirls  
Teacher will you show to me  
The bond between the land and sea  
For I am new to mystery I want everything laid out for me  
All of history  
All of history  
Teacher will you show to me  
The bond between the land and sea  
For I am new to mystery  
I want everything laid out for me  
All of history  
All of history  
All of history  
All of history
