

Lost My Way

Sickick

(I lived in fear too, but I had to put on a brave mask,
And keep proving to myself and to the gang, again and again,
That I was not afraid...)World so... World so dark,
Finger on the trigger,
Lost sight of the man in the mirror,
Following a heart of a sinner,
I'm fallin' I'm fallin' I'm fallin',
I've lost my way...So dark,
Finger on the trigger,
Lost sight of the man in the mirror,
Following a heart of a sinner,
I'm fallin' I'm fallin' I'm fallin',
I've lost my way...
eerie nasty-ass hard-ass dropLost my way...
Lost my way...
Lost my way...I'm fallin' I'm fallin' I'm fallin',
I've lost my...Day and night,
You can't see but I've become a monster,
Lost every day and night,
Whispers in my head I'm feeling haunted,
Flash of the streetlight,
Walking all alone watching the rain,
Fall on me like the weight of life,
They don't understand this pain of mine...No u do not realize,
What I've been through, what I've been through,
My mind tellin' me lies,
What I've been through, you'd never know...
(ooo...)World so dark,
Finger on the trigger,
Lost sight of the man in the mirror,
Following a heart of a sinner,
I'm fallin' I'm fallin' I'm fallin',
I've lost my way...second eerie nasty-ass hard-ass dropLost my way...
Lost my way...
Lost my way...I'm fallin' I'm fallin' I'm fallin',
I've lost my...Lost in life, I'm just tryna find my way in,
Thoughts in my head all keep trying to weigh in,
Tryna be found so I guess that i'll keep praying,
Sinner all alone (all alone), I need savin'...I been on my own for, so long so,
Sorry if my hearts turned into stone,
Sorry I can't please you, don't need you,
This is where I leave you on your own...You don't realize,

What I've been through, what I've been through,
My mind tellin' me lies,
What I've been through, you'd never know,
I've lost my way...Mmm, lost my way,
(ahhhhh)
Lost my way...third eerie nasty-ass hard-ass dropLost my way...
I'm fallin' I'm fallin' I'm fallin',
I've lost my way...S! CK(ooo...)Aww yeah...
