

# Turn off the Lights (Ultra Mix)

**Teddy Pendergrass**

Turn off the lights  
Light a candle  
Tonight I'm in a romantic mood..., yeah Let's take a shower  
Shower together  
I'll wash your body  
You'll wash mine, yeah  
Rub me down in some hot oils baby, yeah  
And I'll do the same thing to you Just turn off the lights  
Come to me  
Girl, I wanna give you a special treat  
You're so sweet (kiss)  
Turn off the lights  
Let's get cozy  
See, you're the only one in the world that I need...  
I wanna love you, love you all over, yeah  
Over and over and over and over and over and over and over and over again  
Whisper sweet words of love in your ear  
Show you I much I missed you, missed you my dear Turn 'em off  
Come to me  
Tonight I'm in a sexy moo... d, baby  
And light a candle  
Girl, there's something that I-I wanna do to you  
I wanna do, I wanna do to you, baby Would you mind if I asked you to?  
Would you rub me down?  
Would you rub me down in some, in some burnin' hot oils, baby, yeah?  
I swear I can do the same thing  
The same thing to you, baby  
Turn 'em off and let's get cozy  
I wanna give you a special treat  
You've been so sweet...  
Turn 'em off come closer  
You're the only one in this whole wide world that I'd ever need Turn 'em off  
Light a candle  
You see, there's somethin' I, somethin' I, somethin' I, somethin' I  
Somethin' I wanna do... to you, baby I'm lyin' here waitin' my dear  
You can get what you want any time you want it  
I'm lyin' here waitin' my dear  
Come get what you need give me what I need (tell me what you wanna do) There's somethin' I  
(tell me what you wanna do, babe)  
There's somethin' I, somethin' I wanna do to you, baby  
(tell me what you wanna do) Yeah  
(tell me what you wanna do, babe) Yes (tell me what you wanna do) I've got somethin' in my

mind  
(tell me what you wanna do, babe)  
Somethin' that I've been wantin' to do all the time, yeah, yes  
(tell me what you wanna do) I wanna give you a special treat  
(tell me what you wanna do, babe) 'Cause you've been so sweet, yeah, yes Anything that you  
want  
Anything that you need  
I got it, I got it  
(tell me what you wanna do) I can do it  
(tell me what you wanna do, babe) I'm willin'  
(tell me what you wanna do) What ever you want, baby  
(tell me what you wanna do, babe) I'm willin' to try
