

Let Me Love You

Mario

Mm uh mm yeah
Mm mm yeah yeah yeah
Mm uh mm mm yeah
Mm mm yeah yeah
Baby I just don't get it, do you enjoy being hurt?
I know you smelled the perfume, the makeup on his shirt You don't believe his stories, you
know that they're all lies
Bad as you are, you stick around and I just don't know why
If I was ya man
(Baby you'd)
Never worry 'bout
(What I do) I'd be coming home
(Back to you)
Every night, doin' you right
You're the type of woman
(Deserves good things)
Fistful of diamonds
(Hand full of rings) Baby, you're a star
I just want to show you you are You should let me love you
Let me be the one to give you everything you want and need
Baby, good love and protection Make me your selection
Show you the way love's supposed to be
Baby you should let me love you, love you, love you, love you, yeah
Listen Your true beauty's description looks so good that it hurts
You're a dime plus ninety-nine and it's a shame
Don't even know what you're worth
Everywhere you go they stop and stare
'Cause you're bad and it shows
From your head to your toes, out of control, baby you know
If I was your man (Baby you'd) Never worry 'bout
(What I do)
I'd be coming home
(Back to you) Every night, doin' you right
You're the type of woman
(Deserves good things)
Fistful of diamonds
(Hand full of rings)
Baby, you're a star
I just want to show you, who you are
You should let me love you
Let me be the one to give you everything you want and need
Ooh baby, good love and protection

Woah, make me your selection show you the way love's supposed to be
Baby, you should let me
(You deserve better, girl)
You know you deserve better
(We should be together girl)
Baby, with me and you it's whatever girl, hey
So can we make this thing ours?
You should let me love you
(Let me be the one to give you everything you want and need)
Let me be the one to give
Everything you need
(Good love and protection)
Said every thing
(Make me your selection)
Will you take me baby?
Show you the way love's supposed to be (Ooh)
Baby you should let me love you
(Let me be the one to give you everything you want and need)
I'll give you everything
That good love and protection
Make me your selection show you the way love's supposed to be
Hey
Hey
(You should let me love you)
Love you
(Let me be the one to give you everything you want and need)
The one to
Everything you need oooh, baby
(Good love and protection)
Protection
Make me your selection (selection, baby)
Show you the way love's supposed to be
(Yeah)
Let me love you
That's all you need baby
