

Ain't No Stopping Us Now (feat. Luther Vandross)

Spice Girls

Now, are you all ready?
Are you all ready? Here we go now
Do it with the fever
yeah come on Ain't no stopping us now
We're on the move
Hey yeah hey yeah
Ain't no stopping us now
We got the groove
Spice Girls-check it out There are so many things that has held us down
But now it looks like things are finally coming around yeah
I now we got a long long way to go yeah
And were we'll end up, I don't know
But we won't let nothing hold us down
We gonna get ourselves together
We gonna polish up our act yeah
And if you ever have been held down before
I know that you refuse to be held down any more Yeah yeah (Don't you let nothing, nothing)
Nothing stand in your way
And all ago
(Watch up and listen yeah) That's right
To everyone I say, everyone I say about it
Ain't no stopping us now
That's right
We're on the move
You said it
We got the groove Ain't no stopping us now
We got the groove
Ain't no stopping us now
We're on the move We got the groove Ain't no stopping us now
We got the groove Look let me tell you this
I know you know someone who's got a negative vibe
And if you only happen the only keep you have (yeah)
They really don't have nowhere to go
Ask them were they're going
They don't know But we won't let nothing hold us back
We gonna get ourselves together come on

And If you've ever been held down before
I know that you refuse to be held down any more Don't you let nothing, nothing
I won't do it stand in your way
