

# Just a Feeling

## Maroon 5

I watched you cry, bathed in sunlight by the bathroom door  
You said you wished you did not love me anymore  
You left your flowers in the backseat of my car  
The things we said and did have left permanent scars Obsessed, depressed at the same time  
I can't even walk in a straight line  
I've been lying in the dark no sunshine  
No sunshine  
No sunshine She cries  
This is more than goodbye  
When I look into your eyes  
You're not even there  
It's just a feeling  
Just a feeling  
Just a feeling that I have  
Just a feeling  
Just a feeling that I have Cuz' I can't believe that it's over You've hit your low, you've lost control  
and you want me back  
You may not believe me but I gave you all I have  
Undress, confess that you're still mine  
I roll around in a bed full of tears, and  
I'm still lying in the dark no sunshine  
No sunshine  
No sunshine She cries  
This is more than goodbye  
When I look into your eyes  
You're not even there  
It's just a feeling  
Just a feeling  
Just a feeling that I have  
Just a feeling  
Just a feeling that I have No I can't believe that it's over now, baby So much to say, it's not the  
way she does her hair  
It's the way she seems to stare right through my eyes  
And in my darkest day when she refused to run away  
From love she tried so hard to save... It's just a feeling  
Just a feeling  
Just a feeling that I have  
Just a feeling  
Just a feeling that I have  
(It's just a feeling)  
It's just a feeling  
Just a feeling

Just a feeling that I have  
Just a feeling (Ohh, ohh)  
Just a feeling that I have  
And I can't believe that it's over now  
I can't believe that it's over  
And I can't believe that it's over
