

Company You Keep

Maren Morris

they're the ones always talkin'
bout their favorite destination
where they're gonna go on their next vacation
gotta make that flashy reservation
don't wanna wait in line
well I'm sittin' on the couch
and I'm lookin' at the pictures
the background's only
a secondary fixture
where we went for dinner
shoot, I don't remember
but we had a good time
together, together
we can do whatever, whatever
we can walk right up the street
where the locals go
we ain't gotta go international
baby, just have an apartment party
we don't need no Hollywood suite
ooohhh
don't matter what we do
anything with you
sounds fun to me
it's all about the company you keep
yeah
about the company you keep
so come on
keep me company
ooooooh
listen
when it comes down to it
nobody really cares
where you had your birthday
just who was there
buy you a shot
hold back your hair
take you to Waffle House
well the circles that you're runnin'
when you're runnin' around
bail you out
make you laugh
pick you up when you're down

hangin' out
home town
hey, that's what it's all about
whatever, whatever
we're all in it together
birds of a feather
we can walk right up the street
where the locals go
we ain't gotta go international
baby, just have an apartment party
we don't need no Hollywood suite
ooohhh
don't matter what we do
anything with you
sounds fun to me
it's all about the company you keep
yeah
about the company you keep
so come one
keep me company
we can walk right up the street
where the locals go
we ain't gotta go international
baby, just have an apartment party
we don't need no Hollywood suite
ooohhh
don't matter what we do
anything with you
sounds fun to me
it's all about the company you keep
yeah
about the company you keep
so come on
keep me company
whatever
we're all in it together
yeah
so come on
keep me company
