

# Who I Am With You

Chris Young

I've been rollin stones, all my life  
Flyin all alone, flyin blind  
I've seen it all, I've been around  
I've been lost and I've been found But who I am with you is who I really wanna be  
You're so good for me  
And when I'm holding you  
It feels like I got the world in my hands  
Yeahh a better man it's who I am with you  
I've got a ways to go, on this ride  
But I got a hand to hold, it fits just right  
You've made me laugh, you made me high  
You've made me wanna hold on tight But who I am with you is who I really wanna be  
You're so good for me  
And when I'm holding you  
It feels like I got the world in my hands  
Yeahh a better man it's who I am with you  
Who I am with you  
Because of you I'm a lucky man  
And you're the best part of who I am  
Who I am with you is who I really wanna be  
You're so good, so good for me baby  
And when I'm holding you  
It feels like I got the world in my hands  
Yeahh a better man it's who I am with you  
Yeah its who I am with you
