Human Nature

Michael Jackson

Looking out
Across the nighttime
The city winks a sleepless eye
Hear her voice
Shake my window
Sweet seducing sighsGet me out
Into the nighttime
Four walls won't hold me tonight
If this town
Is just an apple
Then let me take a bite
If they say,
Why, why, tell 'em that it's human nature
Why, why, does he do it that way
If they say,
Why, why, tell 'em that it's human nature
Why, why does he do me that wayReaching out
To touch a stranger
Electric eyes are everywhere
See that girl
She knows I'm watching
She likes the way I stareIf they say,
Why, why, tell 'em that it's human nature
Why, why, does he do me that way
If they say,
Why, why, tell 'em that it's human nature
Why, why does he do me that way
I like livin' this way
I like lovin' this way(That way) Why why
(That way) Why whyLooking out
Across the morning
Where the city's heart begins to beat
Reaching out
I touch her shoulder
I'm dreaming of the streetIf they say,
Why, why, tell 'em that it's human nature
Why, why, does he do me that way
If they say,
Why, why, ooo tell 'em
Why, why does he do me that way
If they say why, why, cha cha cha cha cha cha
Why does he do me that way

If they say why, why, why, ooo tell 'em
Why does he do me that way
If they say why, ooo tell 'em
Why does he do me that way
If they say why, da da da da da da da da
Why does he do my that way, I like living this way
Why, oh why, why, why
