

# Don't Call Me Up

Mabel & R3HAB

When I'm underneath the bright lights  
When I'm tryna have a good time  
'Cause I'm good now you ain't mine  
Na, na, na, na, don't call me up  
When you're looking at my photos  
Getting hot, losing control  
You want me more now I let go  
Na, na, na, na I'm over you and I don't need your lies no more  
'Cause the truth is, without you, boy, I'm stronger  
And I know it's sad that I changed, have a cold heart  
But it was your game that left scars  
Ooh, I'm over you  
Don't call me up  
I'm going out tonight  
Feeling good now you're outta my life  
Don't wanna talk about us  
Gotta leave it behind  
One drink and you're outta my mind  
Na, na take it up  
Baby, I'm on a high  
You're alone, going out of your mind  
But I'm here out in the club  
And I don't wanna talk  
So don't call me up  
'Cause I'm here looking fine, babe  
And I got eyes looking my way  
And everybody's on my vibe, babe  
Na, na, na, na don't call me up  
My friends said you were a bad man  
I should have listened to them back then  
And now you're tryna hit me up again  
Na, na, na, na I'm over you and I don't need your lies no more  
'Cause the truth is, without you, boy, I'm stronger  
And I know it's sad that I changed, have a cold heart  
But it was your game that left scars  
Ooh, I'm over you Don't call me up  
I'm going out tonight  
Feeling good now you're outta my life  
Don't wanna talk about us  
Gotta leave it behind  
One drink and you're outta my mind  
Now, now take it up

Baby, I'm on a high  
You're alone, going out of your mind  
But I'm here out in the club  
And I don't wanna talk  
So don't call me upDon't call me up  
So don't call me up  
Don't call me upI'm over you and I don't need your lies no more  
'Cause the truth is, without you, boy, I'm stronger  
And I know it's sad that I changed, have a cold heart  
But it was your game that left scars  
Ooh, I'm over youDon't call me up  
I'm going out tonight  
Feeling good now you're outta my life  
Don't wanna talk about us  
Gotta leave it behind  
One drink and you're outta my mind  
Na, na take it up  
Baby, I'm on a high  
You're alone, going out of your mind  
But I'm here out in the club  
And I don't wanna talk  
So don't call me up
