

# Compass

## Lady Antebellum

Alright Yeah it's been a bumpy road  
Rollercoasters high and low  
Fill the tank and drive a car, pedal fast, pedal hard  
You won't have to go that far  
You wanna give up 'cause it's dark We're really not that far apart  
So let your heart be your compass when you're lost And you should follow it wherever it may go  
When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone  
you'll never be alone  
you'll never be alone  
Forgot directions on your way  
Don't close your eyes don't be afraid  
We might be crazy late at night I can't wait till you arrive  
Follow stars you'll be alright  
You wanna give up 'cause it's dark  
We're really not that far apart  
So let your heart sweetheart be your compass when you're lost And you should follow it  
wherever it may go  
'cause When it's all said and done, you can walk instead of run 'Cause no matter what, you'll  
never be alone  
you'll never be alone  
you'll never be alone  
You wanna give up 'cause it's dark  
We're really not that far apart  
So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone (never be alone)  
(never be alone)  
When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone
