## **Autumn Leaves**

## **Ed Sheeran**

Another day, another life

Passes by just like mine

It's not complicated Another mind, another soul

Another body to grow old

It's not complicatedDo you ever wonder if the stars shine out for you?Float down

Like autumn leaves

And hush now

Close your eyes before the sleep

And you're miles away

And yesterday you were here with me

Another tear, another cry

Another place for us to die

It's not complicatedAnother love that's gone to waste

Another light lost from your face

It's complicatedIs it that it's over or do birds still sing for you? Float down

Like autumn leaves

And hush now

Close your eyes before the sleep

And you're miles away

And yesterday you were here with meOoh, how I miss you

My symphony played the song that carried you out

And ooh how I miss you

And I miss you and I wish you'd stay

Do you ever wonder if the stars shine out for you?Float down

Like autumn leaves

And hush now

Close your eyes before the sleep

And you're miles away

And yesterday you were here with me(Mmm-mm-mmh, mm-mmh

Mmm-mm-mmh, mm-mmh)

(Mmm-mm-mmh, mm-mmh

Mmm-mm-mmh, mm-mmh)Touch down

Like a seven four seven

Stay out

And we'll live forever now.
