6LACK & Khalid

[Verse 1: 6LACK]

It's been a little cold

In out-outside

Switch of the wardrobe

Gotta be dressed for a ride

Got hit with a winter breeze

And all we like to act tough, what we do it for?

Be careful with [?]

No need to be so cold, I wanna be more

[Chorus: 6LACK]

Oh, someones calling

A beautiful someone is calling

Oh, someones calling

(I don't have a [?])

A beautiful somebody's calling [Verse 2: Khalid]

I've been going through, you been through it (you been through it)

I fall back and look at what we're doing (now)

[?] what's the use (use)

If you really love me, gotta prove it

Carrying this bag, just need a pack, ay

Hate seeing you sad, I gotta act right

I'm looking forward for the pride [?]

Oh, oh love

[Chorus: 6LACK & Khalid]

Oh, someones calling

A beautiful someone is calling

Oh, someones calling

(I don't have a [?])

A beautiful somebody's calling [Verse 3: 6LACK]

Have you ever looked for someone that said
