Best Part (feat. H.E.R.) [Mixed]

Daniel Caesar

Oh, hey You don't know babe When you hold me And kiss me slowly It's the sweetest thing And it don't change

You would know that you are You're the coffee that I need in the morning You're my sunshine in the rain when it's pouring

If I had it my way

Won't you give yourself to me

Give it all, oh

I just wanna see

I just wanna see how beautiful you are

You know that I see it

I know you're a star

Where you go I follow

No matter how far

If life is a movie

Oh, you're the best part, oh

You're the best part, oh

Best partIt's the sunrise

And those brown eyes, yes

You're the one that I desire

When we wake up

And then we make love

It makes me feel so nice

You're my water when I'm stuck in the desert

You're the Tylenol I take when my head hurts

You're the sunshine on my lifeI just wanna see how beautiful you are

You know that I see it

I know you're a star

Where you go I follow

No matter how far

If life is a movie

Then you're the best part, oh

You're the best part, oh

Best partIf you love me won't you say something

If you love me won't you

Won't you

If you love me won't you say something

If you love me won't you

Love me, won't you

If you love me won't you

If you love me won't you

If you love me won't you say something

If you love me won't you

Love me, won't you

If you love me won't you say something

If you love me won't you

If you love me won't you

If you love me won't you

Love me, won't you

Love me, won't you
