

# Cinderella (feat. Magic Man)

## The Knocks

Come take my temperature, I think I'm burning up  
But I keep dancing to my heartbeat drums  
Oh, darling what's your name? It's time we play the game  
We've got till midnight til the ball stops  
So, no no no no, don't worry 'bout a thing, love  
Just feel the rhythm on your body and mind  
No no no no, don't worry 'bout a thing, love  
Just feel the rhythm on your body tonight  
Uuh uuuh uh  
Lose your slippers and move your feet  
Say, oh, Cinderella, go, Cinderella  
Don't stop living this fantasy  
Say, oh, Cinderella, go, Cinderella  
Uh, uh  
Oh, Cinderella  
Go, Cinderella  
Hey, hey  
Oh, Cinderella  
Go, Cinderella You got me hit the ties, it's something in your eyes  
I know you're different by the way you stand  
You say you gotta go, just makes me want you more  
But it's alright, I'll take you anywhere  
No no no no, don't worry 'bout a thing, love  
Just feel the rhythm on your body and mind  
No no no no, don't worry 'bout a thing, love  
Just feel the rhythm on your body tonight  
Uuh uuuh uh  
Lose your slippers and move your feet  
Say, oh, Cinderella, go, Cinderella  
Don't stop living this fantasy  
Say, oh, Cinderella, go, Cinderella  
Uh, uh  
Oh, Cinderella  
Go, Cinderella  
Hey, hey  
Oh, Cinderella  
Go, Cinderella Oh, can we dance all night?  
You and I, you and I, you and I  
Till the morning light  
Oh, we can try try try  
Oh, can we dance all night?  
You and I, you and I, you and I

Till the morning light  
We can try, we can try, we can try,  
We can try, we can tryLose your slippers and move your feet  
Say, oh, Cinderella, go, Cinderella  
Don't stop living this fantasy  
Say, oh, Cinderella, go, CinderellaUh, uh  
Oh, Cinderella  
Go, Cinderella  
Hey, hey  
Oh, Cinderella  
Go, Cinderella
