

Keep It Pushin (feat. Mahalia)

Russ

You ain't gotta wait up, I ain't 'boutta save ya
I'ma just be honest, I won't see you later
I'ma keep it pushin', you should keep it pushin'
We both know what's up, aye
You ain't gotta wait up, I ain't 'boutta save ya
I'ma just be honest, I won't see you later
I'ma keep it pushin', you should keep it pushin'
We both know what's up, aye We were too young, not ready
I was why I-I love heavy
You, we think that this ain't real
You, maybe get compassionate until
I think I get it, you really love me
I learn my lesson, now I can trust me
Looking back, yeah it was a mess
At least you cared, got shit off your chest
Guess I'm stuck, go back home
Ready baby but she think she grown
Blowing up my phone like "where the fuck are you at?"
"Girl I'm in the studio, I thought you knew that"
Doesn't matter that we living in the same city
I promise I'm not lying when I say I'm not busy
You ain't ready for the lifestyle I'm living
Twenty-five and settled down is not in my vision
Going at the same, our lifes so different
Yeah, yeah I think we should call it quits
I ain't got the time for the back-and-forth arguments
Unnecessary drama, gotta cut that
Anything but that, energy on fuck that
Ball shit, you either get it or you don't
If you don't, I ain't got the time to tell you why you won't—
Ever get it, you better end it
Yeah
You ain't gotta wait up, I ain't 'boutta save ya
I'ma just be honest, I won't see you later
I'ma keep it pushin', you should keep it pushin'
We both know what's up, aye
You ain't gotta wait up, I ain't 'boutta save ya
I'ma just be honest, I won't see you later
I'ma keep it pushin', you should keep it pushin'
We both know what's up, aye Okay, I think I get it
I think I finally understand what you're saying
You can't stay, now just admit it

For the longest time, you ain't been with it
Is it something I did?
Is it something I said?
'Cause I felt like I gave you more than I had to give
Oh I tried, I tried and you tried a little
I cried, I cried, I still cry a little You say we both know what's up but
I don't know what's up with you
I don't know what I could do, I could do
You say we both know the deal but
I am scared that after this, I won't ever heal
Just so you know
All of this time you had me on Cloud 9
Hmm, just so you know
All through our lows, you made me feel high, yeah You ain't gotta wait up, I ain't 'boutta save ya
I'ma just be honest, I won't see you later
I'ma keep it pushin', you should keep it pushin'
We both know what's up, aye
You ain't gotta wait up, I ain't 'boutta save ya
I'ma just be honest, I won't see you later
I'ma keep it pushin', you should keep it pushin'
We both know what's up, aye
