

Slowly

Boyz II Men

Nightfall, here we are, looking love histories
Sexual, natural, the feeling that you give me
We've been there before
Now it's now, and I see no signs of a slowing down
Girl you're so beautiful, I just wanna lay back And watch you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me
I feel you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me God know where to go, it's just you and me and the radio
And your arms cage, cold wine, and holding you as you're moving in a slow
Grind
Having you in my bed, fulfills every fantasy in my head
As we make this memory, nothing better than for me to
Watch you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me
I feel you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me Baby slow it down, rock it back, and rewind it back
Right now you're a part of me, I know you're a part of me
Inside is where I have to be
We can do it like it's supposed to be done
And together we will become one
Feel my love, love, is just for you Watch you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me
I feel you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me
Watch you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me
I feel you rock me slowly, slowly, slowly,
Love your body on me, on me,
Like you want me
