

The Answer

Joss Stone

Use your mind and make it talk
Cause in this world it's all you've got
We all fall down from the highest
Clouds to the lowest ground
The loneliness is worst of all
When you've got no one else to call
Feeling kind of sad when the times
Are bad, the times are getting badBut I'm not searching for the answer
No, I'm not looking for the truth
I'm just talking through a speaker
Because that's all that I could ever learn to do
Because that's all that I have ever learned to do
What about you?
So watch your step or you might fall
You act like you're a know-it-all
Yeah I used to do that, I used to be like that
I'm still a bit like that
