

# How to Feel

## Moxie Raia

See these tattered clothes  
See these streets we used to roam  
Pass the happy home  
Remembering the girl I used to know  
See these flowers once in bloom  
And now laid in the darkness  
You were beautiful as his tool  
While he lured in his target  
Oh ooh ooh ooh ooh  
Ooh ooh ooh ooh  
Now I'm walking here on my own  
Remembering how we used to talk  
I set everything you said in stone  
And that's why everything I know was lost  
I used to feel til it hurt to laugh  
I found ecstasy in a tear  
But now I don't know, I don't know  
I don't know how to feel  
I don't know how to feel  
No, I don't know how to feel, no  
There he took my hand  
And he looked me in the eye  
He said baby girl, tell me will you love me til you die  
Then he laid me down, his imperial goddess  
And I wore his crown, left everything I started  
Oh ooh ooh ooh ooh  
Now I'm walking here on my own  
Remembered how we used to talk  
I set everything you said in stone  
And that's why everything I knew was lost  
I used to feel til it hurt to laugh  
I found ecstasy in a tear  
But now I don't know, I don't know  
I don't know how to feel  
I don't know how to feel  
I don't know how to feel  
Kiss you with fake passion  
Look in your eyes through opaque glasses  
Touch you with the velvet glove  
Tell you all I need is love  
Kiss you with fake passion  
Look in your eyes through opaque glasses

Touch you with the velvet glove  
Tell you all I need is love  
Now I'm walking here on my own  
Remembered how we used to talk  
I set everything you said in stone  
And that's why everything I know was lost  
I used to feel til it hurt to laugh  
I found ecstasy in a tear  
But now I don't know, I don't know  
I don't know how to feel  
I don't know how to feel  
All I feel is cold, cold, cold  
All I feel is cold
