

# Whenever I Call You "Friend" (feat. Stevie Nicks)

Kenny Loggins

Whenever I call you friend  
I begin to think I understand  
Anything we are  
You and I have always been ever and ever I see myself within your eyes  
And that's all I need to show me why  
Everything I do always takes me home to you  
Ever and ever Now I know my life has given me  
More than memories  
Day by day we can see  
In every moment there's a reason to carry on Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it  
Sweet love showin' us a heavenly light  
I've never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it right Whenever I call you friend  
I believe I've come to understand  
Everywhere we are you and I were meant to be  
Forever and ever I think about the times to come  
Knowin' I will be the lucky one  
Ever our love will last  
I always want to call you friend Sweet love showin' us a heavenly light  
Never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it  
Now I know my life has given me  
More than memories  
Day by day we can see  
In every moment there's a reason to carry on Sweet love showin' us a heavenly light  
Never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it doin' it Sweet love showin' us a heavenly light  
I never seen such a beautiful sight  
Sweet love flowin' almost every night  
I know forever we'll be doin' it, doin' it, doin' it Sweet love, sweet love, yeah  
You're the glowing light in my life  
So, so bright in my life  
Oh, everything I do sends me back to you

Whenever I call you friend
