Son Lux

Tell me a tale
I can't imagine
I can hold in my hand when I pray
Because I don't believe you
I don't believe you

No no Because you won't receive me
No, you won't receive me
But you must,
I know all the right things to say All the right things
All the right things
All the right things
No no It's not your fault
No, it doesn't have to be
It's not your fault
No, it doesn't have to be
No no
All the right, all the right, all the right, oh
All the right, all the right, all the right, oh
All the right, all the right, all the right, oh

All the right, all the right, all the right, oh
All the right, all the right, all the right, oh
All the right, all the right, all the right, oh
