Ping Pong

Stereolab

it's alright 'cos the historical pattern has shown how the economical cycle tends to revolve in a round of decades three stages stand out in a loop a slump and war then peel back to square one and back for morebigger slump and bigger wars and a smaller recovery huger slump and greater wars and a shallower recoveryyou see the recovery always comes 'round again there's nothing to worry for things will look after themselves it's alright recovery always comes 'round again there's nothing to worry if things can only get better there's only millions that lose their jobs and homes and sometimes accents there's only millions that die in their bloody wars, it's alrightit's only their lives and the lives of their next of kin that they are losing it's only their lives and the lives of their next of kin that they are losingit's alright 'cos the historical pattern has shown how the economical cycle tends to revolve in a round of decades three stages stand out in a loop a slump and war then peel back to square one and back for morebigger slump and bigger wars and a smaller recovery huger slump and greater wars and a shallower recovery don't worry be happy things will get better naturally don't worry shut up sit down go with it and be happydum, dum, dum, de dum dum, de duh de duh de dum dum dum... ah ah dum, dum, de dum dum, de duh de duh de dum dum dum... ah ah
