

Up Around the Bend

[John Fogerty](#)

There's a place up ahead and I'm goin'
Just as fast as my feet can fly
Come away, come away if you're goin'
Leave the sinkin' ship behind Come on the risin' wind
We're goin' up around the bend Bring a smile and a song for the banjo
Better get while the gettin's good
There's a place up ahead and I'm goin'
Where the neons, it turns to wood
Come on the risin' wind
We're goin' up around the bend You can ponder perpetual motion
Fix your mind on a crystal day
Always time for good conversation
There's an ear for what you say Come on the risin' wind
We're goin' up around the bend
Catch a ride to the end of the highway
And we'll meet by the big red tree
There's a place up ahead and I'm goin'
Come along, come along with me Come on the risin' wind
We're goin' up around the bend
