

Gold Love (feat. Rosie Oddie)

Flux Pavilion

Why won't you give me your love?
Gold love
Why don't you give me no love? Why won't you give me your love?
Sweet love
Why don't you give me no love? Why won't you give me your... Why won't you give me your
love? I'm just the same as you
Don't do the things you do
Give me my moment
And maybe I'll make you feel gold
Oh no, not everyday
Maybe I'll let you stay
Give me my moment
And maybe I'll make you feel gold Why won't you give me your love?
Gold love
Why won't you give me your love?
Sweet love Why won't you give me your... Why won't you give me your love? Why won't you
give me your love?
Gold love
Why don't you give me no love?
Why won't you give me your love?
Sweet love
Why don't you give me no love? Why won't you give me your...
